RE: MUR 5181
Precision Marketing, Inc.

Dear Mr. Speck:

This is in response to your letter dated August 29, 2002, requesting an extension of 30 days to respond to the Commission's reason to believe finding and Subpoena and Order because you received the correspondence only yesterday. As we discussed during our telephone conversation today, the original correspondence was addressed incorrectly.

After considering the circumstances presented in your letter, the Office of the General Counsel has granted the requested extension. Accordingly, your response is due by the close of business on October 3, 2002.

If you have any questions, please contact me at (202) 694-1650.

Sincerely,

Mary L. Taksar

Mary, hello, I am writing this letter to let you know that my wife received a certified letter at our house today from the FEC. I have not seen or read the letter yet, but she tells me that it has "15 or so" questions and that it was mailed on July 29th and requests a response by today. I apologize for bombarding your voice mail but this is the reason for the two messages I have left this afternoon. Please consider this e-mail and the copy I am faxing to your office at 202-219-3923 as my official request for a 30 day extension. When you get this will you call or e-mail to let me know that this has been extended? Please feel free to call me with any questions.
